

City of Hope Fundraising App

Follow the step-by-step instructions below to install the City of Hope Fundraising app, which allows you to take all of your Walk for Hope fundraising efforts on the go. This free app lets you check your fundraising progress, send fundraising messages, recruit team members, get event details, and more.

1. Install the mobile app.

- Visit [Google Play](#) or the [Apple App Store](#) on your device.
- Search for “City of Hope Fundraising” and follow the steps to download and open the app.

2. Enter the email address you used when you registered to trigger an email with your login code. Copy the code from your email and paste it into the app. Check the “Remember Username” box and enable Face ID or Biometric ID for easy access the next time you return to the app. Click Login.

3. Welcome to the Overview Screen.

It's easy to stay up-to-date with all things Walk for Hope from the Overview screen. Access Walk day details, check your personal and team fundraising progress, and follow the steps on the Fundraising Checklist to set yourself up for fundraising success!

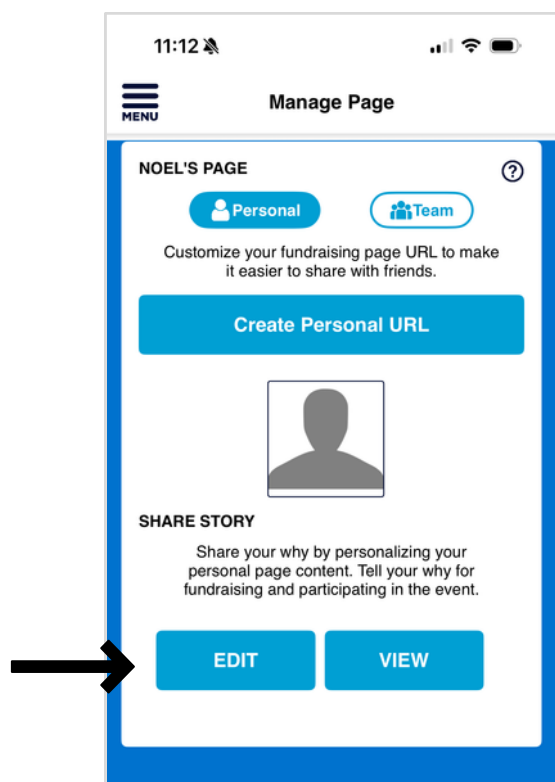

4. Navigating the App.

Tap the “Menu” icon in the top left corner to access the different sections and features of the app.

5. Update your fundraising page.

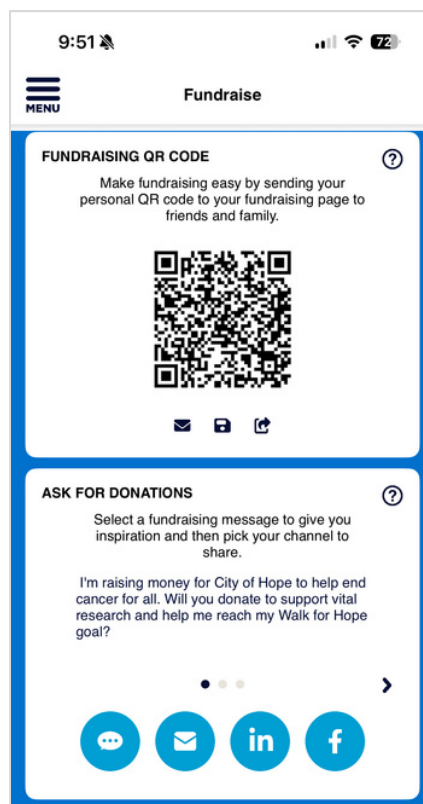

From the Menu, select “Manage Page.” From here, you can edit your page to add a personal story and create a short link for easy sharing. If you’re a Team Captain, you can tap “Team” to update your Team Page as well.

6. Start Fundraising.

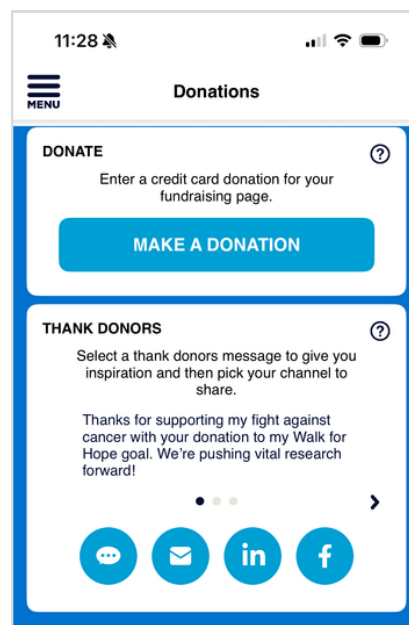

From the “Menu” at the top left, select “Fundraise.” From here, you can save or share your personal QR code, send text messages or emails to the contacts in your phone, or post your fundraising page link on social media.

Each option offers prewritten messages to choose from that you can edit and post to any channel or app available on your device.

7. Donations.

Visit the “Donations” section to view all of the donations you’ve received and thank your donors via email, text message, or on social media.

NEED HELP? Simply click on the question mark at the top right of each box to learn more about that section. Still have questions? Go to the menu and click “Questions?” to get personal support or report a problem.
